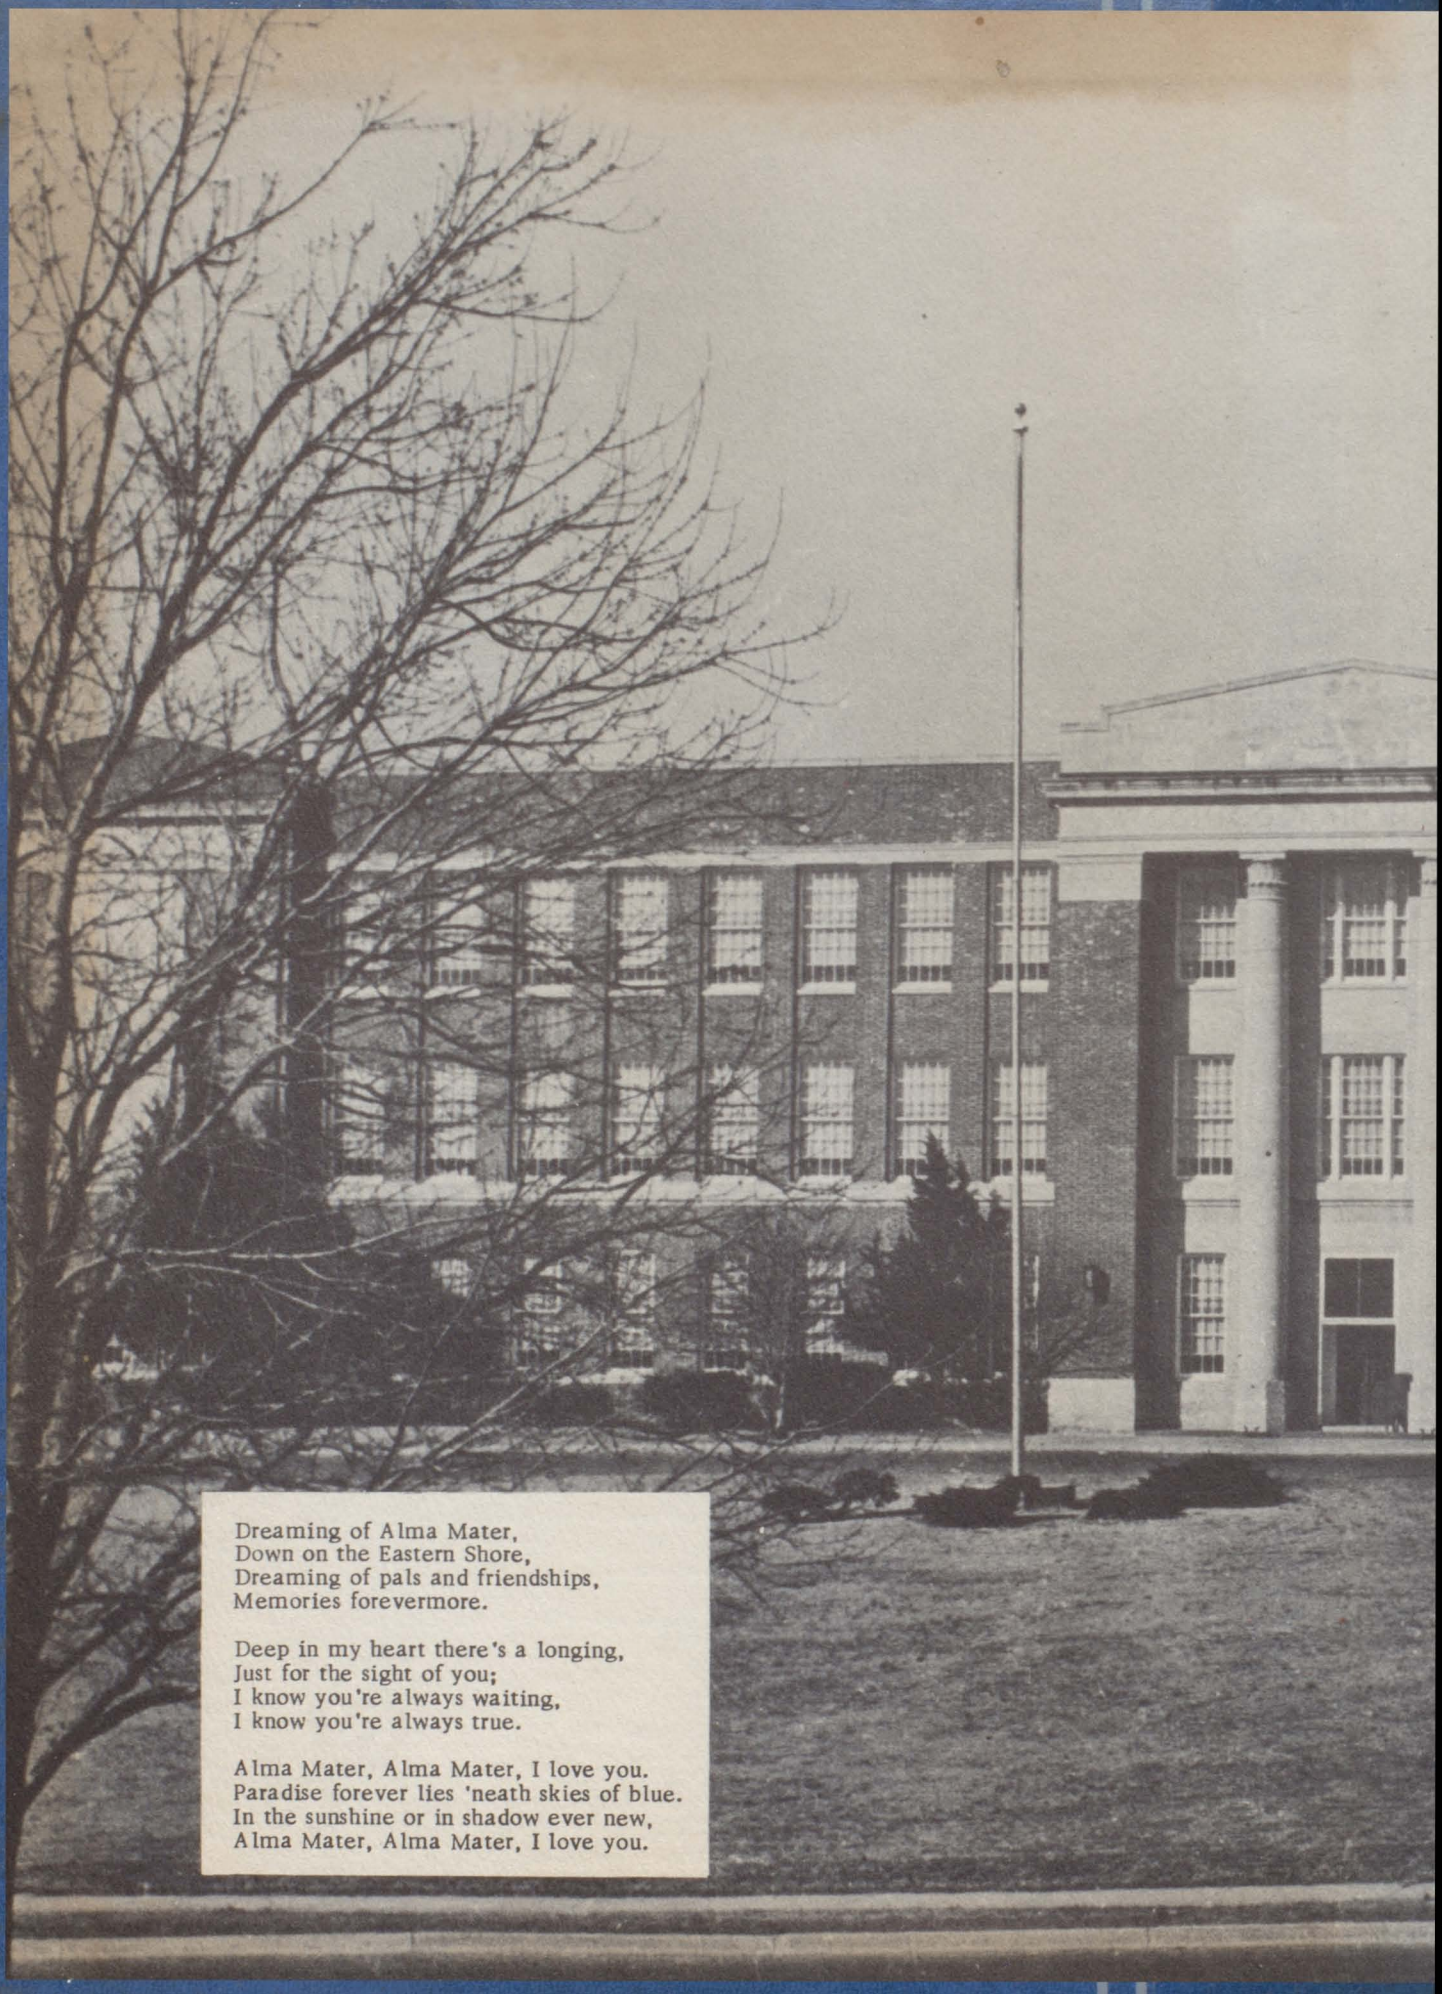
# TOM TOM



Dreaming of Alma Mater,
Down on the Eastern Shore,
Dreaming of pals and friendships,
Memories forevermore.

Deep in my heart there's a longing,
Just for the sight of you;
I know you're always waiting,
I know you're always true.

Alma Mater, Alma Mater, I love you.
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadow ever new,
Alma Mater, Alma Mater, I love you.

# STUDENT COUNCIL

When the 1952-53 Student Council first met on September 24, the new presiding officers were Ed Brown, President; Jim Leutze, 1st Vice President; Mary Rue Dallas, 3rd Vice President; Bill Walston, Secretary-Treasurer; and Judy White, who transferred to another school and was later replaced by Lee Levering as 2nd Vice President.

Under these able leaders, the Council set up a monitor system and gave many enjoyable assemblies and dances. The concession stand, operated at football games, provided funds to carry out numerous other projects, such as completion of the furnishing of the Teachers' Room, dark curtains for the movie room, payment of two assemblies, financial aid to the "Wi-Hi News", a token contribution to the Crusade for Freedom, cabinets for the choir robes, and an information radio program presented to demonstrate "What the Student Council Means to Me"

The Council also tried to start bus service from a rural area to football games, but the need was not sufficient to make it worthwhile. They formed a welcoming committee for the new 8th graders at the beginning of the year, and they served as monitors for the "Back to School" program of the P.T.A. The Council's closing activities included a Student Council Banquet and campaigns for the election of next year's officers.

In addition to its work in Wi-Hi, the Student Council was represented in the Lower Eastern Shore Student Council, the State Student Council Organization, and is a member of the National Student Council.

Now, looking back over the past year's work, the Council can point with pride to its accomplishments.

"One hot dog, two coffees, quick!"

The Library Assistants' Club is a service organization which meets every other Wednesday. Its more than thirty members donate their services before school, during study halls, and after school. To serve our 1200 students efficiently would be impossible without the help of these student assistant librarians.

Duties are many and varied. Some of these are: charging out material, finding and filing cards for books, shelving books, assisting students to find reference and recreational books, processing new books through the many steps before checking them out, preparing magazines for the racks, mending old books, arranging exhibits, straightening shelves, dusting, making and delivering overdue notices, and collecting fines. Extra activities of the Club include an annual picnic or party and an assembly program written and directed by Club members.

"That'll be six cents, please."

# JUNIOR RED CROSS

The first of a series of Junior Red Cross meetings for the year was brought to order by our faculty advisor, Miss Roe. On October 28, 1952, we organized our group and chose the following officers: Kay Reed, President; Rosalee Lynch, Vice President; Andrea Wein, Secretary; and Jean Morris, Treasurer.

During the year we have had the annual Red Cross Drive in which we encouraged home-rooms to collect money for the less fortunate and needy families. For our project this year, we made bridge tallies and score pads to send to the Bolling Air Force Base.

Don't think it is all work and no play -- at the end of the year we had a picnic as a reward for our interest and help in making the Club a successful one.

Two more drops in the bucket.

# DEBATING CLUB

In the fall of 1949, eighteen Wi-Hi juniors formed a debating club under Mrs. Dick.

In 1950-51, the charter members, now seniors, did not want to leave the club; so, the constitution was amended to permit seniors as well as juniors to be members.

In 1951-52, we made our debut into the social world by promoting a successful dance.

Now, in 1952-53, we feel that we have begun the next stage of our development. From a small number, we have grown to a membership of forty-seven. Plans are being considered for making two divisions of the club to stimulate even more interest in promoting public debates. It is likely that we can affiliate with a national debating organization in the near future.

The officers for this year were: Danny Wagner, President; Carolyn Carey, Vice President; Lee Levering, Recording Secretary; Dot Richards, Corresponding Secretary; Jim Leutze, Treasurer; Patsy Elliot, Program Chairman; Mary Mac Dick, Historian; and Bill Smith, Public Relations. The major topic for debate this year was: Resolved: That the Atlantic Pact nations should form a federal union.

"Maybe, but I think . . . "

THIRD ROW: Lewis Riley, James Agnew, Russell Mumford, Ronald White, Mr. Cullen, Faculty Advisor. FOURTH ROW: Robert Johnson, Jerry Hammond, Richard Thomas, Edward Hudson, Jimmy Hobbs, Albert Fry.

Wi-Hi's F.F.A. has a short history, but the 1952-53 chapter has made fine progress.

The most important act of the chapter was the sponsoring of an annual spring Father and Son Banquet. At this banquet, awards were given. The two most important awards are the Scholastic Improvement Award, given for progress in scholarship, and the Star Chapter Farmer Award, given to the boy with a Chapter Farmer Degree who has been most outstanding in four years of agriculture.

" . . . as he picked up his hammer and saw."

The F.F.A. has hatched pheasant eggs, raised and bred pigs, and this year they built and equipped a chicken house. The chickens were either sold or were entered in the Junior Chicken of Tomorrow Contest. Of four contests entered each year, the F.F.A. has had at least one winner per year. Two members represented Maryland in the National Vegetable Judging Contest in New York. Also, representatives are sent annually to the State Convention. This year a Club member attended the National Convention in Kansas City.

Other projects this year included Christmas and Thanksgiving baskets for a needy family outside Salisbury, a radio panel discussion, continuation of the pig ring, and participation in the Farm and Home Show.

# FUTURE HOMEMAKERS OF AMERICA

FIRST ROW, LEFT - RIGHT: Joanne Parsons, Mary Frances Ratcliffe, Elizabeth Tull, Historian; Joanne Brown, Treasurer; Shirley Bradley, President; Barbara Malone, Secretary; Mary Evelyn Doepp, Vice President; Lois Trader, Barbara Ruark. FOURTH ROW: Connie Riggin, Shirley Parsons, Virginia Livingston, Catherine Pope, Phyllis Lowe, Mary Jane Parsons, Nancy Lucy, Barbara Miller, Peggy Wilson, Pat Walters.

The Future Homemakers of America was organized in Wicomico High School in February, 1950. Since that time membership has increased to fifty girls who are interested in home economics and who have completed at least eighth grade. This club belongs to a state and national association, whose purpose is to acquaint girls with home economics and make it a valuable part of everyday life.

F.H.A. colors are red for courage and determination and white for purity. The flower is the red rose, which is a symbol of good health. Most important is the motto "Toward New Horizons," which signifies learning to live better today so that our lives and the lives of others may be better tomorrow.

F.H.A. activities have included: serving at school banquets, being hostess to all chapters in our region at the spring business meeting, and planning and serving the annual May Day Tea.

Plans for this year also included: filling a Christmas basket for a needy family, holding a Christmas party, serving as co-hostesses to annual regional and state meetings, sponsoring a Mother-Daughter Banquet, and completing work toward Junior and Chapter Homemaker degrees of achievement.

"Think you want to be a teacher?"

The H.C. Byrd Club, Future Teachers of America, is named for a famous educator, Dr. Harry Clifton Byrd, President of the University of Maryland. This club is affiliated with the Maryland State Teachers Association and the National Education Association. It offers young people activities through which they can improve themselves and cultivate the qualities of personality and character which are the foundations of successful teaching. The members investigate the advantages of making teaching a career and find specific information about the opportunities in the various fields of education.

One of the highlights of the year was a trip to Pemberton School where the club observed the modern elementary school in session. The group benefited from another interesting trip to State Teachers College where they noted the methods of instruction.

Some of the other events during the year included installation of officers; the F.T.A. assembly, at which Mr. Willis H. White, State Supervisor of High Schools, was guest speaker; an informal tea given by the sponsor; several guest speakers during the Wednesday morning club meetings who discussed the problems, opportunities, and requirements of teaching; and representation of the club at the Maryland F.T.A. meeting in Baltimore.

# FUTURE NURSES OF AMERICA

FIRST ROW, LEFT TO RIGHT: Nona Dean Bonniwell, Sylvia Hastings, Chairman of Hours; Joyce Matthews, Vice President; Jean Small, Secretary; Marie Dixon, President; Ann Lee White, Treasurer; Sue Dana, Eloise Parker. SECOND ROW: Mrs. Samuel Layfield, Nurse Sponsor; Colleen Gordy, Geneva Parsons, Tillie Worthington, Ellen Tilghman, Joyce Massey, Elvira Mezick, Pat Patterson, Miss Hester Farlow, Faculty Advisor. THIRD ROW: Pat Taylor, Fae McGinnis, Pat Smith, Anne Eagler, Mary Dryden, Verona Moreash, Catherine Kaiser, Virginia Hughes, June Smack.

The Future Nurses of America Club was started in the fall of 1951 under the direction of Miss Hester Farlow, with Mrs. Samuel Layfield as Nurse Sponsor.

At the first meeting last fall, Marie Dixon was elected President; Joyce Matthews, Vice President; Ann Lee White, Treasurer; and Jean Small, Secretary.

It was decided that the members had to have twenty-five points in order to receive their pins. A committee made a list of the things they could do, including club work, interviews, visits to places connected with nursing, and observations over at the hospital. At Thanksgiving and Christmas the girls sent baskets of food and clothing to two needy families, and they acquired a wheelchair for the school from the Salvation Army.

After January 1, five girls went to see Mrs. Layfield about their "sister" nurses. A "sister" nurse is usually a first year student at the hospital who is assigned to one of the girls. Near the end of the year, a tea was given by the girls in honor of their "sisters".

"Scalpel, please . . . "

The last activity of the year was a banquet at which all of the girls who had earned enough points were given their pins. These pins were donated by the Junior Board Auxiliary.

# PROJECTIONISTS' CLUB

The Projectionists' Club, under the sponsorship of Mr. Dalton Howard, is in charge of the audio-visual equipment of the school. Students from this group are trained to operate opaque projectors and projectors for motion pictures, film strips, and slides. They install the public address system for the auditorium activities and for football and other outdoor games. Club members perform a real service to the faculty by relieving teachers of machine operation during periods of audio-visual instruction.

The Club was an out-growth of a general science class activity in 1948. A group of boys became interested in the use and operation of the varied equipment of the school. Their interest and subsequent skill of operation in handling audio-visual aids has filled a real need in our school.

The 1952-53 officers of the steadily-increasing club were George Hotton, President; Robert Sturgis, Secretary.

Ronald German, Buster Truitt, and Gerry Bounds--working?

Begun in 1949, the Photography Club is still quite young. Despite that and its small size, it performs a very important service to the school by portraying its program through pictures.

During the year the group photographed such activities as athletic teams and events, play and operetta casts, clubs, homerooms, Senior functions, May Day, and pictures for the school newspaper. Its major contribution to the school is photographing and printing the pictures of the many groups that appear in the Yearbook.

# The Wi-Hi News

QUILL AND SCROLL. LEFT-RIGHT: Carole Bogage, Miss Florene Erwood, Virginia Tull, Barbara Stockman, Ida Hove, Loraine Byrd.

"Who snitched the scissors again?" "Where's the Pogo mat?" "Anybody got a 2 3/7 inch sports item they aren't using?" "Somebody write a head for this quick!"

Heard in a mad house? Well, you might call it that, but you have to admit, it's a systematic one. These were just a few snatches picked up in a Friday afternoon journalism period while the dummy (the page by page outline of the newspaper) was being made up, a process which goes on fourteen times during the school year at fairly regular two week intervals. Things may seem pretty jumbled, but out of all the apparent chaos comes enough order to get out a four page Wi-Hi News for its 500 and some subscribers.

Some of this year's improvements (for better or worse) have been---

The Pogo for President campaign, complete with "I Go Pogo" buttons, held during the November presidential election.

A copy of Scholastic Roto, a national high school publication, given free to each subscriber.

Important Firsts Department---five senior girls were the first Wi-Hi'ers to earn their membership in the national journalism honor society, Quill and Scroll this year.

# BACCALAUREATE

The sermon to the graduates was given by The Reverend E. Lansing Bennett, pastor of Salisbury's Presbyterian Church, on Sunday evening, May 31, in the high school auditorium.

His sermon, "The Rules of the Game", was more like an informal chat, and his vivid illustrations drove home his points better than any pounding of the pulpit. He stated the four primary rules -- courage, tolerance, sportsmanship, and perseverance -- and illustrated each with striking examples taken from different parts of the sports world.

After the concluding hymn and the benediction, the graduates marched out to the familiar strains of "Pomp and Circumstance".

The Reverend E. Lansing Bennett

The 1953 Commencement Exercises also took place in the high school auditorium, on the evening of June 4.

The Reverend Arthur M. Doepp gave the invocation and benediction, and the guest speaker was Dr. Kenneth R. Walker, professor of history at Goucher College in Baltimore. His address, "The Quest For Security", emphasized the insecurities of the world that today's graduates enter. He stated that complete security was an illusion, that any real security must be found within one's self.

After the benediction, members of the graduating class sang their Alma Mater, and to Verdi's "Triumphal March", they took their final steps out of Wicomico High School and into the world.

Senior Class President Max Franks receives his diploma from Mrs. B. Lee Hayman, member of the Wicomico County Board of Education.

# SOCCER

Coach Jim Mills' soccer team had a very successful season and won the Wicomico County Championship. This is the first time a Wi-Hi team has accomplished this feat in years.

The team record was 6 wins and 2 losses. Both losses were to a well-balanced Pocomoke team. The last game was played under Worcester scoring rules, two points for a scrimmage shot and one point for a penalty shot. By Wicomico scoring it was a tie.

Wi-Hi outscored the opposition 28 to 7, with Hebron the only Wicomico County team scoring against them.

Seniors playing their last game in a Wi-Hi uniform were: Delbert Kohl, Donald White, Donald Horner, David McDaniel, Lawrence Hedges, Lee Ryan, James Baker, and Monroe Messick.

Wi-Hi scoring went as follows: D. Kohl, 11 points; D. Long, 5 points, B. Dennis, 4 points; D. Horner and P. Long, 2 points each; D. White, L. Ryan, J. Baker, and L. Hedges, 1 point each.

The season showed one win, one tie, and three losses. This was considered a successful season for the start.

Two games were played with Pocomoke and one each with Laurel, Seaford, and Berlin.

The twelve seniors on the squad were Nona Dean Bonniwell, Virginia Tull, Jackie Moore, Ethel Parsons, Nancy Windsor, Dot Richards, Betty Hofmann, Marie Dixon, Patty Sullivan, Joyce Matthews, Connie Kilmon, and Susan Dana.

By secret ballot, the squad picked as their most valuable player, Betty Hofmann.

The lettermen this year were Nona Dean Bonniwell, Joyce Bradley, Susan Dana, Marie Dixon, Betty Hofmann, Connie Kilmon, Jackie Moore, Virginia Tull, Ethel Parsons, Norma Pollitt, Dot Richards, and Patty Sullivan.

Cambridge goes up in flames!

The 1952 football season ended with the Wi-Hi Indians showing a record of 7 wins, 1 tie, and 0 losses -- the first undefeated team in 14 years.

Two good assistant coaches, George Eichnor (back field) and Joe Restic (ends) helped Coach Charles Berry (interior line).

Wi-Hi started off right by beating Seaford 30-6, and hit their only snag in the second game, against Laurel, who held Wi-Hi to a 6-6 tie. Wi-Hi scored in the third period on a line plunge by Lee Levering. Laurel's Miller tied the score in the final quarter.

Wi-Hi beat Charlotte Hall 25-0 on a muddy field, defeated Milford 24-0 with Danny Wagner making two touchdowns, and romped to an easy 44-0 over Dover.

Scoring once in the first quarter and three times in the second, Wi-Hi held Westminster to two touchdowns, beating them 25-13.

Bel Air wasn't so easy. Wi-Hi's Chuck Smith scored in the first quarter, but Bel Air struck back, pulling ahead 7-6 early in the second quarter. Smith scored again during the first half making it 13-7. Bel Air tied early in the third quarter, but Wi-Hi bounced back, Smith going 70 yards to paydirt on an inside reverse.

The Indians ended the season with a joyous conquest of Cambridge 60-12 on Thanksgiving Day.

COACHES: Joe Restic, Charles Berry, George Eichnor.

The Wi-Hi Indians ended another successful season with an overall record of 16 wins and 5 losses. Under the very capable coaching of William Conrad, the Indians went to the state semi-finals by downing Cambridge 68 to 49. Alleghany High proved too tough for Wi-Hi and won 62 to 46. The Indians played without the service of Bob Hardiman in this game, and many believe that if he had played Wi-Hi would have won.

Wearing Wi-Hi togs for the last time were Bob Hardiman, Jack Barnett, Donald Long, Jim Baker. Dick Niblett, a junior, led the scoring with 390 points followed by Bob Hardiman with 314. The Indians outscored the opposition 1,215 to 843. Highlights of the season were the victories over Cambridge, 52 to 46 and 68 to 49, and over Westminster, 56 to 43.

Bob Hardiman, Wi-Hi's high scoring center, set two scoring records within four days. He broke the old high scoring record for one game of 29 when he dumped in 31 points against Seaford. Four nights later, against Crisfield, he set the present high scoring record of 36 points in one game.

Although four of the starting five players graduate this year, the Indians should have a good team next year, and we wish them the best of luck and hope they do what no other Wi-Hi team has done: win the State Class A Championship. Congratulations to Coach Conrad for his fine showing as a freshman coach and may he keep up his good work.

Coached by Mary Morling Troy, the girls' basketball team had a season record of one win, eight losses, and one tie.

Two games were played with each of the following teams: Mardela, Ocean City, Easton, Cambridge, and Laurel. The lone victory was at the expense of Ocean City, the seashore rivals.

Jackie Moore, the team Captain, led the scoring parade with 150 points, followed by Virginia Tull, 45; Betty Mallery, 41; Doris Calcott, 33; and Tillie Worthington, 10.

Not to be forgotten were the guards, the unsung heroines. Outstanding defensive plays by them made the scoring possible for their teammates.

The managers were Lorena Thomas, Barbara Crosse, and Carolie Valliant.

The following is the season at a glance:

| Opponent | Wi-Hi | Opposition |
|---|---|---|
| Mardela | 19 | 36 |
| Ocean City | 34 | 31 |
| Easton | 31 | 40 |
| Mardela | 21 | 24 |
| Cambridge | 20 | 26 |
| Easton | 32 | 42 |
| Laurel | 35 | 46 |
| Cambridge | 26 | 26 |
| Ocean City | 35 | 43 |
| Laurel | 36 | 52 |

The Junior Varsity basketball team had a record of two wins and two losses. They took two games from Mardela (26-4 and 23-10) and lost two games to Hebron (39-22 and 38-20).

# JUNIOR CLASS PLAY

## The Lineup

On January 21 and 22, 1953, the Junior Class presented "You Can't Take It With You", a hilarious comedy telling of life with Martin Vanderhoff (J. H. Williams) and "family", consisting of his daughter Penelope Sycamore (Liz Ellis), her husband Paul (Jack Denson), his granddaughter Alice (Joan Lewis), another granddaughter Effie (Andrea Wein), Effie's husband Ed. (Ed Parsons), Mr. De Pinna, a friend, (Buddy Emerson), the colored maid Reba (Kay Reed), and her boyfriend Donald (Lee Schilling).

The "peaceful" family receives many interruptions in the form of Boris Kalenkov, a Russian friend (Bill Livingston), the Grand Duchess Olga Katrina (Carol Trader), Alice's boyfriend Tony Kirby (Dayton Furniss) his mother (Yvonne Lewis), his father (Harry Alexander), Gay Wellington, a drunken actress (Mary Rue Dallas), Henderson, an income tax collector (Gayle Dorman), and three men from the F. B. I., (Jerry Davis, Lee Gordy, and Jim Coffinberger).

# CLASS HISTORY

In the year 1948 a small (260) group of wide-eyed, expectant youngsters entered the portals of Wicomico High School. This was the beginning of a whole new phase of life for us. It was discouraging and confusing at times, but we soon became accustomed to it. Activities began to be more numerous toward the end of the year.

We entered school in September, 1949, with a new outlook on life, My, weren't we the big wheels! This year we began to become more a part of school. We participated in school teams, clubs, had more assemblies, and attended Student Council meetings. Most of all we were proud to be invited to dances held by upperclassmen. Again we were represented in May Day and this year for the first time we elected a representative to the Winter Carnival. At the end of the year our number had decreased to 240.

Our sophomore year seemed to be the time when most of us adjusted ourselves to the routines of our schedules. We began thinking about our futures -- just what we would like to do after graduation. We were represented in offices in the Student Council, we sang in the operetta, had a sweater hop, and began making our own way. This year, instead of decreasing in number, we increased to 255.

Upperclassmen at last! Probably the biggest thrill of this year was the election of class officers, for the first time in our history. As President we elected Billy Wyatt; Vice President was Edward Brown; for Treasurer we chose Frances Mumford, and Dorothy Richards served as Secretary.

We had a wonderful Junior Dance, and presented "My Sister Eileen" as our Junior Class play. It wasn't until we attended the Junior-Senior Banquet that we realized it would soon be our turn to fill the long-sought-for position of seniors. We realized, too, that we would miss our predecessors more than we had thought we would. At this point our number was 203.

Seniors! All 173 of us! We couldn't believe it. It was true, we were monitors, and some of the boys and girls in our class were now being recognized for their athletic and scholastic ability. Even when we got our class rings it was still hard to believe!

Ida Hove proved a very capable Wi-Hi News Editor. Then came elections for class officers. Max Franks was chosen President; Danny Wagner, Vice President; Frances Mumford, Secretary; Marie Dixon, Treasurer, and Pat Sullivan, Historian. Barbara Stockman was chosen to the all-important position of Yearbook Editor, with Mary Mac Dick as Assistant Editor. Student Council President was Edward Brown and Vice President, Jim Leutze. We elected Shirley Grant Winter Carnival Queen.

We took our annual Annapolis trip (in driving rain!), had our May Day festival, presented "Stage Door" as our Senior Class play, and that night of nights -- the Senior Prom. There was the Junior-Senior Banquet, with us on the other side now; Baccalaureate Services, and finally the exalted moment of Commencement. We had finally completed our first big step toward building our future.

Class Historian,
Pat Sullivan

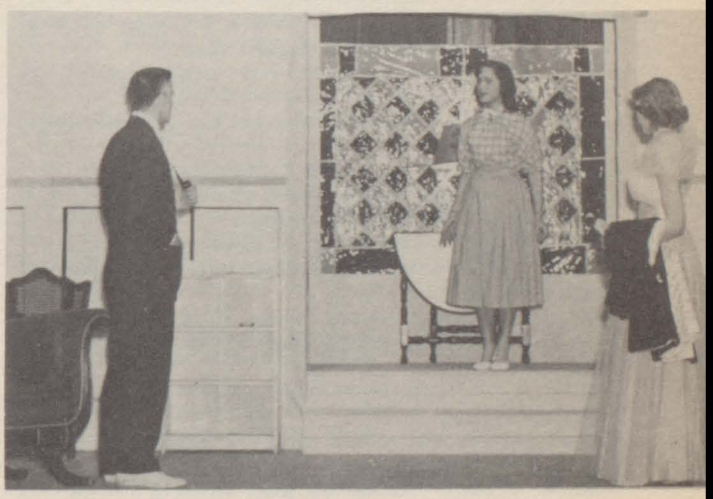
# SENIOR CLASS PLAY

Mrs. Orcutt (Ida Hove) runs the Footlights Club for would-be actresses, with the help of Mattie (Ginnie Tull) the maid, and Mattie's husband Frank (Monroe Messick). They try to keep up with the girls and their men, but in vain. Madeline Vauclain (Sylvia Hastings) and Judith Canfield (Janice Perry) date two lumbermen, Fred Powell (Ronald Bowers) and Lou Milhauser (Harry Todd). Sam "Texas" Hastings (Lee Ryan) likes Bobby Melrose (Shirley Grant), and Jimmy Devereaux (Jimmy Baker) goes with Susan Paige (Lois Smith). Then there are the career girls: Olga Brandt (Hazel Adkins), a musician; Pat Devine (Nona Dean Bonniwell), a dancer; Big and Little Mary (Mary Mac Dick, Sheryl Lewandowski); Bernice Neimeyer (Loraine Byrd); Ann Braddock (Helene Perry); Kendall Adams (Alda Owens); Tony Gillette (Kitty Causey); and Ellen Fenwick (Barbara Wimbrow).



Louise Mitchell (Connie Kilmon) forsakes the stage for marriage but returns. Kay Hamilton (Charlotte Hardesty) yields to internal pressure and commits suicide. Jean Maitland (Patsy Elliott) succeeds in Hollywood, returning with Larry Westcott (Danny Wagner) her press agent, and Billy (Norman Christian), a photographer. Her boss, Adolph Gretzel (Paul Ayers), not satisfied with her in his play, is persuaded by David Kingsley (Jim Leutze) to audition Terry Randall (Dot Richards), who has found the stage difficult. Kingsley and Keith Burgess (King Burnett), a playwright, vie for Terry's love. Terry, following her father's (Boyd Bounds) principles, chooses David, who buys Gretzel's play and stars her in it.

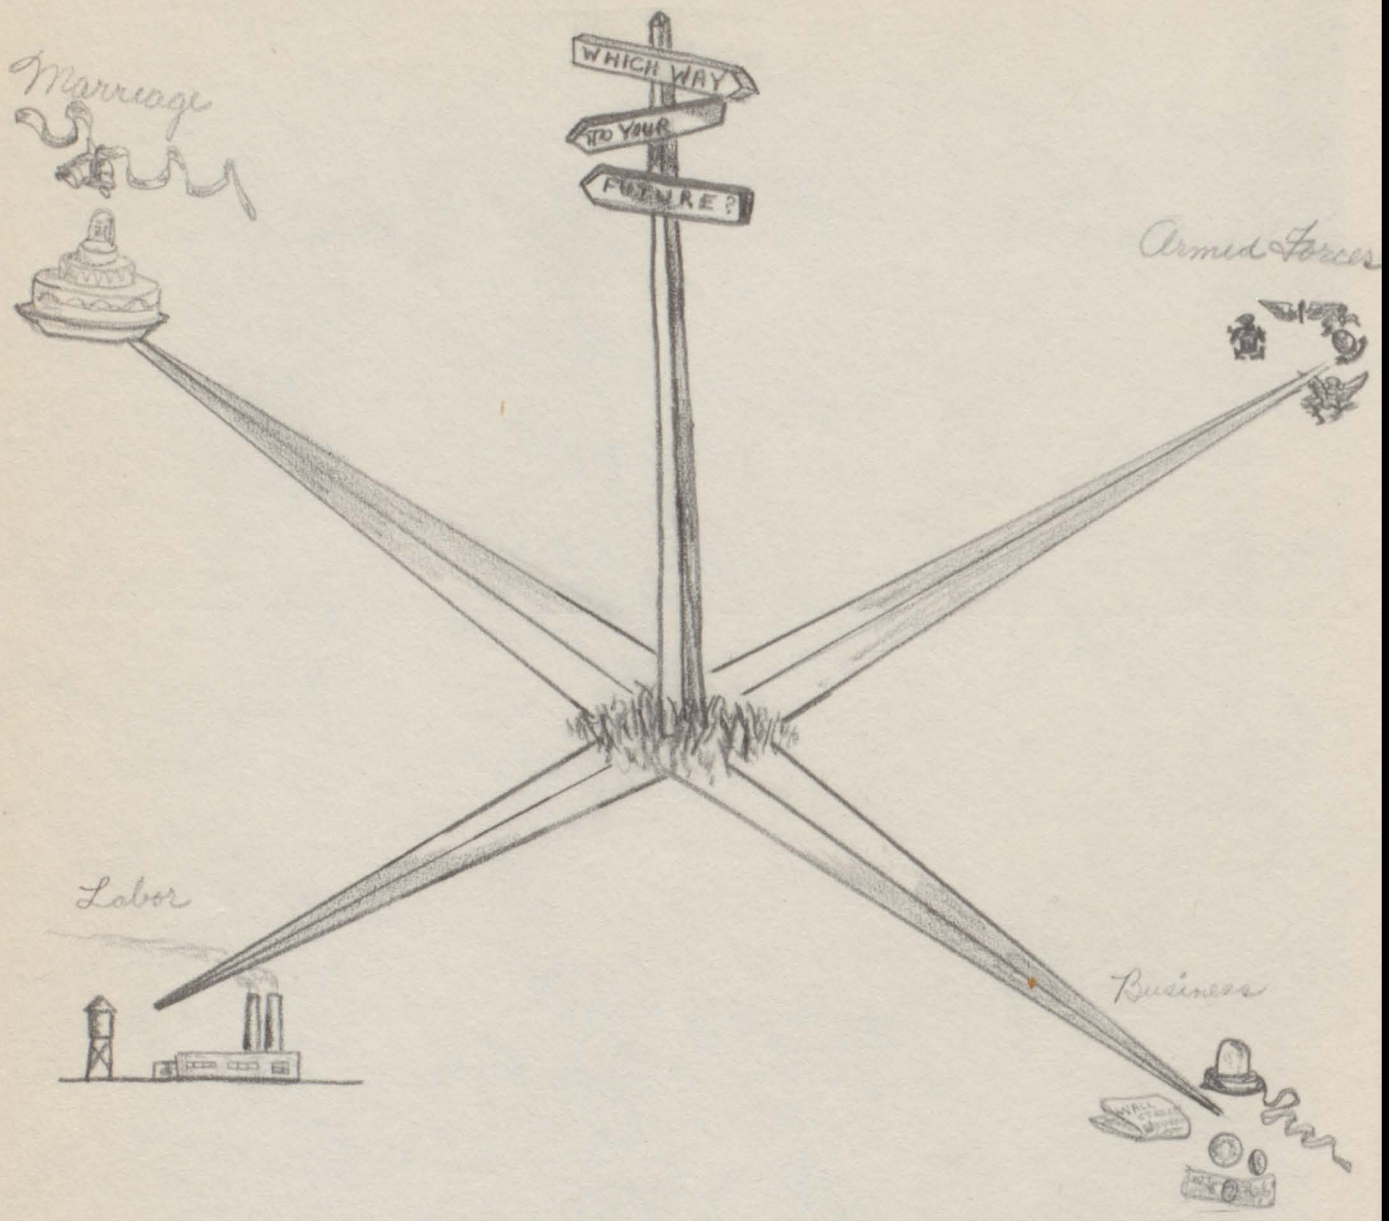
# CONCLUSION



Here it is -- our gift to you, the people. After many months of back-breaking and side-splitting work we have finally completed a job we are proud of. We couldn't have done it ourselves and our deepest thanks and admiration go to Mrs. Charles Hemming, our advisor, who was as green as we were at the beginning of the year. Figuring equally in our success are Mr. Howard, who took hundreds of pictures for us and helped us out of a few tight spots -- Miss Hester Farlow's Salesmanship Class for helping us with our advertising -- quite a few unsung heroes of the senior class for helping out with necessary odd jobs -- and last but by no means least, the advertisers who enabled us to carry the Tom-Tom's tradition one step further. To these goes our eternal gratitude, and to the staff of next year's Tom-Tom -- our wishes for the best of luck.

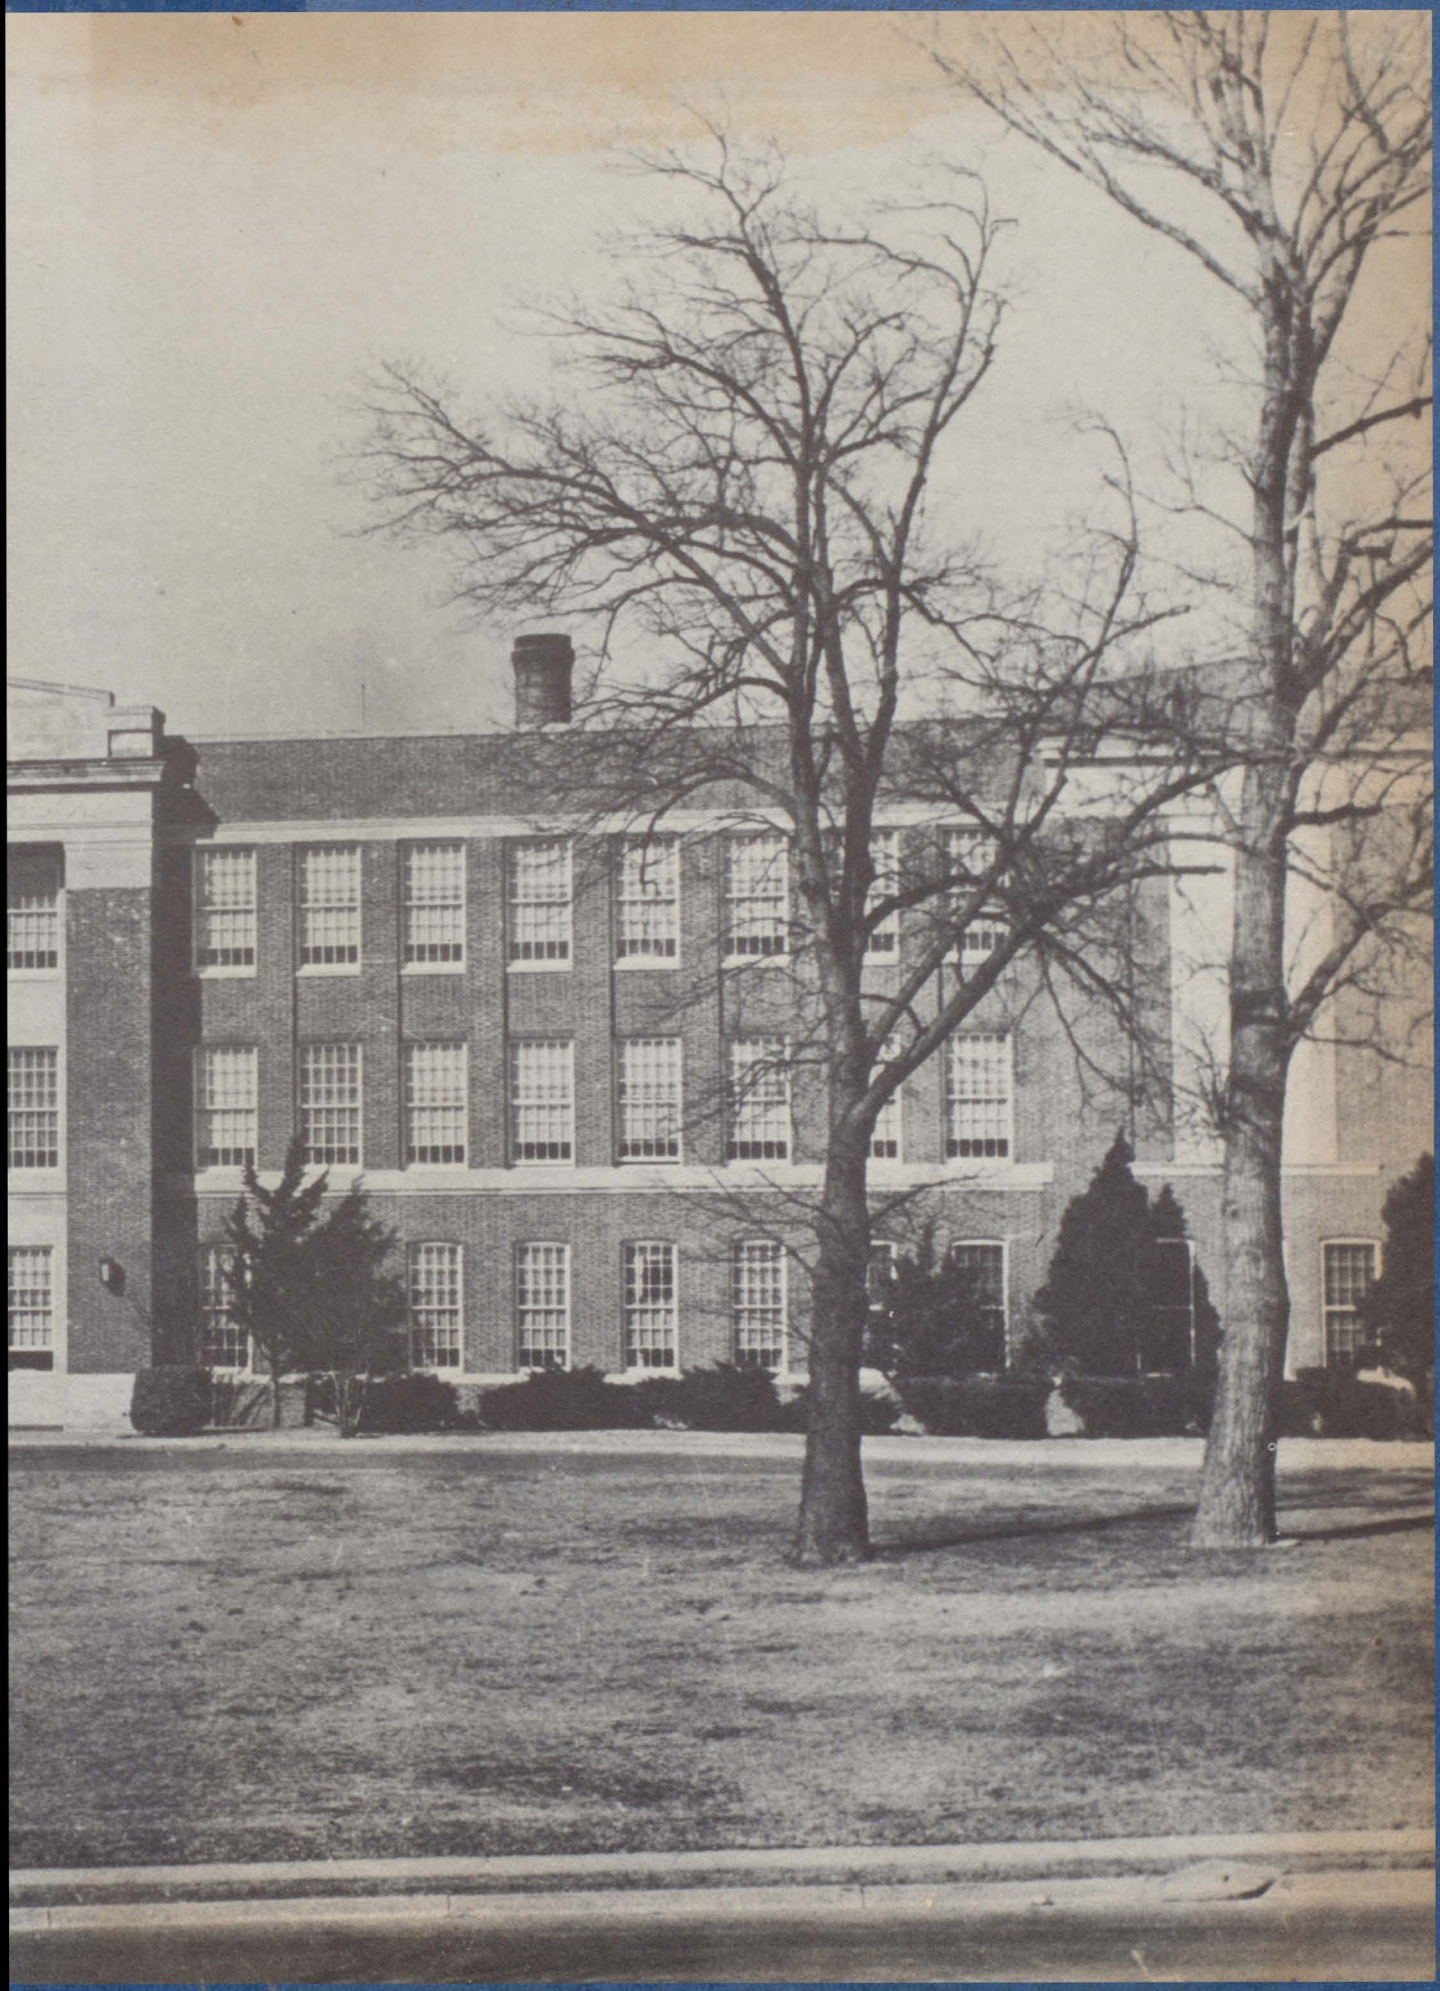
Dreaming of Alma Mater,
Down on the Eastern Shore,
Dreaming of pals and friendships,
Memories forevermore.

Deep in my heart there's a longing,
Just for the sight of you;
I know you're always waiting,
I know you're always true.


Alma Mater, Alma Mater, I love you.
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadow ever new,
Alma Mater, Alma Mater, I love you.
